## Taking Care of Our Own

**You can help  
take care of DoD  
firefighters by donating just  
ONE HOUR of leave to DoD  
Firefighters approved to receive  
donated leave. Watch for  
announcements! See your fire chief  
for more details!**

*Did you ever wish you  
could do something to  
help DoD firefighters  
who are experiencing  
tough times because of  
illness or the illness of  
a family member?*
